“ Dear Family:
I can't begin to find the words to describe how much your mom meant to me. I loved her so much. I never saw her that she didn't give me a big hug. She was a wonderful and kind person. My life is so much richer for knowing her. I will miss her so much. I must say to each of you, her children, she raised four wonderful kids and each of you have made her so proud in your own way. I am so fond of each of you. Please know I am your friend and am here for each of you. Hold your memories of your wonderful, loving mother close to you. May God Bless each of you and hold you close to him in the days and weeks to come while you are dealing with your loss.
Love to each of you,

“ I first met Ilona and Herb many years ago. Little did I know then they would turn out to be my family. Herb taught us many things and opened many doors for us including how to "flat foot".
Ilona taught me to make sauerkraut , macaroni salad and cheese cake among many more recipes.

We had a special bond and she was like a sister to me, sharing happy times and some sad ones. We had no secrets. We were able to share anything and everything. We enjoyed many shopping trips to Tanglewood, going to Myrtle Beach or hours of just talking.

. I knew her children almost as well as my own and she mine.
The 4th of July was always a big time with wonderful food we spent hours cooking. They always had a band for dancing and listening at Broad Run. We spent many nights there in the primitive cabin.
Ilona was and is the best friend I ever had. She will be missed and a deep void for me but always in memories and my heart.

She never had a selfish bone in her body. Always there is you needed her. I was always in awe of all the canning she did each year. For a city gal this was awesome. She remedied that by showing me how can and/or freeze many fruits and vegetables.
Due to health issues (Chuck has Alzheimers) and my bad back we were unable to visit las two years but kept phone lines hot.

That being said, our heartfelt sympathies to her children, grandchildren, great grand children, many relatives and friends.

Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard his call
I turned my back and left it all
I could not stay another day
To laugh, love, to work or play
Tasks left undone must stay that way
I've found that peace at the close of the day
If my parting has left a void
Then fill it with remembered joy
A friendship shared, a laugh, a kiss
Ah yes, these things I too will miss
Do not be burdened with times of sorrow
I wish you sunshine of tomorrow
My life's been full, I savored much

Good friends, good times, a loved one's touch
Perhaps my time seemed all to brief
Don't lengthen it now with undue grief
Lift up your heart and share with me
God wanted me, He set me free

“ Thinking of Ilona brings such fond memories, she was my teacher's aide in elementary school and then our family camped with her family when I was a teen. She was always so kind, I'll always remember her laugh and her greeting "well, hey there" when she saw you. She will be missed by a lot of friends. Prayers go out to her entire family.
