

Shirley Hannah McCartney

May 20, 1923 - May 5, 2018

Together Again.... Shirley and Hoyt... 2 of the best people who loved each other to the end and loved both of their Special Needs children. They lived a happy life as they cared for their family. Some called it a burden but they called it Love and Blessings.

On May 5,2018 the Lord called Shirley Hannah McCartney home to her loving family.. She fought the good fight to the end! We will miss her terribly but know she is a happy lady now.

She was preceded by her Loving husband Grady Hoyt McCartney , children Juan Marie McCartney and Daniel Hoyt McCartney.. and 4 brothers .. also her Mom and Dad. Howard and Lucille Hannah that she searched for in her end of life journey.

She is survived by her 2 sisters. Hannah Kaufman and Herb of California and Linda Hannah Davis and Gary of Salem.. Her very special Caregiver for 8 years, Beulah Brown and nephew Justin Davis, Holly and Taylor and Ashlyn and nephew Jonathan Shelor, Katie and children.. Also, her niece and nephew who did their best to care for them and carry out all their wishes from many years ago Steve and Cindy Shelor and Zach that loved them all so much. They taught us about loving a special child..Many nieces nephews and cousins to cherish mementoes of them.

We will remember her in a service on Saturday May 12 @11:00 am with a visitation at 10:00 am before the service. In lieu of flowers please donate to Hebron Church New Castle, Va or Good Shepard Hospice in Roanoke Va.. Thanks to all who were there for us in these last 40 days and special thank you to nurses Donna, Pam , Joanna, Wendy and NP Tonya from Gentle Shepard Hospice.

“ So many wonderful memories growing up as one of the Hannah grandchildren. Many happy times spent with Aunt Sis and our family. She was an inspiration in so many ways.
