“ *I was fortunate enough to teach Austin for 5 years. He always had a smile, a compliment, an inquisitive question, and a funny story to share. He was bright, handsome, and had a great sense of humor. Austin had one of the kindest hearts I've ever seen in a child. He brought me so much joy and has touched my heart forever. I know he loved his family very much. You are all in my prayers and I offer my deepest sympathy. I love you sweet Austin.*

“ My sweet sweet Austin there are not enough words to tell you how much I love you or how desperately you will be missed. That beautiful smile, those dancing eyes, the laughter and joy you brought to my life I will forever treasure. I can not and will not ever forget you and the sheer joy you brought to my life. My heart is missing a piece one that will never be replaced. I love you my sweet boy. To your family and friends I want to say hold on to the memories. We all have an Austin story to know him was to have your own personal story. He was so full of life and joy. Hold on to those precious memories, treasure them in your heart, I know I will.

“ Having such a good looking young man leave us is hardly putting it in words. My lil girl grew up knowing this young man and I wish his time wasn't so short lived. It was truly an honor to know Austin. He took my daughter to her first dance in elementary school and even then his Mother had raised him to respect her. I remember joking with Amy that one day they'd get married. You was a blessing on this earth and I'm sure hope you're watching over my baby in this great big world. I can't imagine the hurt but now know that God is with you. No more sorrow and no more pain nothing but love.
