“ To the family of Mr. Hoover,
I know that this is a very difficult time for you. We as humans were never meant to experience the pain of losing a loved one to death. God's purpose for us is that we live forever on the earth in perfect health and perfect conditions. The Bible mentions a time when the ones who have passed away will rise again in John 5:28,29. Take comfort in knowing that you will see Barry again. Please accept my condolences.

“ Barry was a very caring and thoughtful individual who took care of the troops back in the early '80s while we were stationed at Clark Air Base in the Philippines. I do have some fond memories of him and of hearing of his passing left a void in my heart. My condolences go out to his entire family. God bless!

“ My condolences and prayers to the Hoover Family. So very sorry for your loss. Barry and I met when I was the Section Commander at 3 EMS and he was the 1st Sergeant at 3 EMS. We became close friends during those years in the Philippines. He was not only an acquaintance from work, he was one of my best friends. Although our paths never crossed again after leaving Clark AB due to being located on opposite sides of the country, we kept in touch regularly with letters and phone calls. Barry was the best 1st Sergeant I had the pleasure to work with, an outstanding senior NCO, and a loving and caring family man. He will be missed by all who knew him.
