“ *Beinta (Neeti) always called me baby when she wanted my attention or we would play "get out of here" as she called it. I love and will miss her, but know she's in a better place and is talking to her daddy, an aunt and 2 uncles along with our grandmother.* ”

“ Dear Family,
My sympathy to all of you on the loss of Benita. I did not know her personally but heard so much about her from Justin over the years. Knowing first hand how difficult caregiving can be, I also know there are many rewards. I am sure you have some wonderful memories and I hope they bring you comfort and peace.
May you feel the love of others surround you and comfort you.
