“ Have good childhood memories of Brandon he was like a little brother to me, me him and his sister had lots of adventures in Paint Bank and were close growing up. He was always following us around wanting to do whatever we we're doing I hadn't seen him in many years and he contacted me a few days before this occurred wanting to reconnect but unfortunately we didn't get the chance he will be missed and remembered for who he was ❤️

“ Brandon, whenever I sit and think about the most fun I had as a child, I think of you. It was always just you, me, and the dogs. We would walk off into the woods and explore and forget the world. Climbing up into the Old Mill. Riding bikes early in the morning through the dew on the fields. Drinking from the mountain stream with an old cup you left hanging on the tree. Catching salamanders and crawdads behind the firehouse. The nostalgic sound your cowboy boots would make on the old wooden floor in the Post Office, rings in the back of my mind. You were MY cousin....my personal best friend. Stay wild and free cuz, till I see you again. I love you.
