“ I first knew Michelle from years ago when I taught her kids. Then last year I had the privilege of working with her at the school..”that’s right”. I loved watching her daily sneak a piece of candy to Braydon in the hall on the way to lunch.... and once she wasn’t fast enough with that so he hunted her down and got it. Her kindness touched many— fly high! This is not goodbye, but see ya later.

I loved seeing Michelle at the school. She always wanted to know how you were and said "hello" with a smile no matter how her day was going. I really missed seeing her when I left CCPS. I know that she loved her family to the fullest - she would always talk about them and the Lord with a SMILE. My prayers and thoughts are with you all.

“ *T Mark and his family, i worked with Michelle for 15 years at Home Shopping. She was a great person ,always talking about you and her kids. The one thing that I always remember about Michelle is she would always tell me that she was not my friend but I didn't have a better friend than her. Didn;t see her but a couple of times after I left HSN but thought of her thought the years. I am so sorry for your loss , you're all in my prayers. Becky Hale*
