“ To Peggy and the family of Mr. Crowder,
I know that this is a very difficult time for you. We as humans were never meant to experience the pain of losing a loved one to death. God's purpose for us is that we live on the earth forever in perfect health and perfect conditions. The Bible mentions a time when the ones who have passed away will rise again in John 5:28,29. Take comfort in knowing that you will see Charles again. Please accept my condolences.

“ I wanted to let the family know how sad lam to hear of Charles passing My early child hood memories are of being on my grandparents farm below the sand-plant, they were Kenneth and Maude Webb, They all thought a lot of Charles and he would let me set in his lap by the cook-stove. one memory I will never forget is daddy had killed a turkey and after plucking itgrandma lit a piece of newspaper from the cook-stove to singe off the pin feathersbut I did not know this, as she started to burn off the feathers , Charles told me grandma was going to burn my daddy's turkeyup, that was in 1966 I was 4 years old when this happened. I also remember Wendal alwayscoming along, He also gave me a football helmet and he was my hero after that. sincerely A.W. Webb
