“ To The Huffman and Laprad Families,
I am so sorry about Claudia's passing. She
was one of the kindest, hardworking people I
have ever known. Always so friendly and
always concerned about others. The Laprad
Family has always been such a
wonderful kind family. Claudia will be missed so much by all her
many
friends. God is getting a wonderful angel.
Love,

“ Prayers for the family. She will be so missed. My sister spent a lot of
time with Sarah at her house as kids. Claudia always treated us as
one of her own kids. Claudia would always make me smile if I was
having a bad day. Sending love and peace to the whole family.

“ Ms Claudia & Ms Devone were my daughter's Girl Scout troop
leaders for years. They were mentors & devoted to their group of
girls, now women....Mother's & wives like mine is now. It's not easy
to find good, strong women so devoted to the young within their
communities! Thank you, to your family, Ms Claudia for sharing your
important time & skills ...love for others with so many, like my
Michelle. You will be sorely missed & forever remembered & loved.
Blessings & prayers for your family and friends.

“ There are lots of Claudia stories, but I'll always remember the best advice she ever gave me. It was a hot July day almost 19 years ago and we were putting up hay. We filled up the wagon and after it drove away to the barn, she walked across the field and said to me, David, that's the second year you've had that same girl in the hayfield, she is a keeper. You better marry her. That's love according to Claudia. Who can resist that kind of logic? My wife and family will always miss her for all the wonderful things that she has done for everyone that she touched.
