“ Sorry to hear this about Clifford; we were cousins and I have fond memories of him taking the time to play with his younger relatives when we visited on family reunions; although his idea of playing was showing us the best fireworks to shoot off. ;) So sorry for your loss and will be keeping the whole family in my thoughts.

“ Karen, we are so sorry to hear of Clifford's passing. He was such a great man and my boys thought the world of him. Jonathan was just a little boy and he used to love sitting with Clifford every Sunday when he went to the Methodist church. When we would leave for church Jonathan always had to have his Clifford the Big Red Dog books with him so he could share them with Clifford as they sat on the back row every Sunday. Such a great guy who left this world too soon. He will be missed. 💔

“ *Karen, I am so sorry for your loss. Clifford was a great guy!! I will
never forget the auction sale when I was standing with you and him,
he had walked off to load some items and another batch of
Christmas decorations came up. I think you paid a dollar for a whole
pile of goodies and then you had to tell him when he came back
what else you had bought and he just laughed and shook his head.
Clifford will be missed greatly.*
