“ My sincerest condolences to Greg, Tim, Nancy and the entire Huffman family. Clyde had been my neighbor for as long as I remember. The Level Green Community will not be the same without him. When my Dad passed from cancer in 2001 Clyde gave me a beautiful hanging basket he had grown in his greenhouse in memory of "Daddy." I have never forgotten his generosity and kindness that day. My prayers are with the family now and in the days ahead. Sincerely, Karen Link.

“ Clyde had a greenhouse. He would plant all kinds of flowers but I remember his geraniums. They were so pretty. He was a loving, gentle soul that was always willing to help out others.
