“ I’m so sorry to learn of the passing of Mr. Helms. I met him 40 years ago when I was deer hunting in your area and broke my only key off in the door lock of my vehicle. Although the store was closed, Mr. Helms was kind enough to leave a family gathering to cut me a new key from the two halves I had. I have often thought about his kindness that day and will forever be grateful. Our sincere condolences to the family.

“ We met Mr Helms through horse shows. He was always friendly. He had an obvious love for his daughter, Vickie, and for their horses. We will miss his kind demeanor and presence , but rejoice in the assurance of his place in Heaven. We send our prayers and sympathy to his family during this difficult time. God Bless.

“ He will be missed. He was always high spirited and very friendly when I would see him in the store. And all of the people who works there were the same. I am sure it was because of Curtis' upbeat attitude towards all. My prayers go out to the entire family at this sad time.

“ *Curtis was family and friend and our neighbor for many years. Curtis, his Dad and his Mom helped our family in so many ways. After we moved to North Carolina, he would call once in a while to keep in touch and find out how we were doing. It meant so much. I will never forget his love for our family. I will never forget his smile and laughter. I missed Curtis and family when we moved away and still do. Our love and sympathy goes out to all the family. We are praying for you.*

“ *As far back as I can remember, there was always Reba & Curtis. Gary was always one of us kids playing on main street on Saturday nights, while the grown ups shopped and visited. I remember going up to Reba & Curtis's house with Gary and I felt right at home. My brother's kids grew up with Tammy and Vicki and those girls have always been special to me, too. They are a wonderful, Christian family and and my heart goes out to them at this time of loss. May your many wonderful memories comfort you all. God bless.*
