Wow David, I just found out that you passed today and it's been a while I've been wondering what happened to you. Now you are with God no more pain and no more sickness. Knowing you and living next door to you for 10 years was a blessing. You are a good man no matter what anybody else thought. Lol you will be missed

“ Carla, Bob & Mike, I was sorry to read of David's passing. Mom and Dad loved him so much and he was so good to them. He always made me laugh. Mom worried about him and always tried to encourage him and show him love (sometimes it was tough love). I am so sorry for your loss. Thinking and praying for you. Always,

“ Sorry to hear of this. David and I grew up together. In the summer after we had our chores done we would jump on our buzz bikes and go to every swimming hole in New Castle. What a great time. Good memories. Bless the family. Will be missed.

“ It was a beautiful winter day! The sun was shining brightly on the glistening, white snow beside the little white church on the hill where David's casket was placed and draped with the U.S. flag of America. The air was calm, cool, and crisp. Approx. 40 (a guess) family and friends were present to celebrate David's life. A few were sitting in chairs but most were standing around the families burial sites.

Speaker, Steve Minnix began the exceptional service with prayer and followed with scripture and passages of God's comforting words. "To every thing there is a season, and a time to every purpose under the heaven; A time to be born and a time to die...." (Ecclesiastes 3). He also spoke of David's favorite things and his zest for life.

In the sky was the sound of an airplane passing by and dogs were barking in the distance. So fitting for the man who loved both airplanes and esp. dogs! I cried for the loss of my friend. He was a special person esp. to me. I will surely miss him!

The music of military TAPS began to play as the flag over David's casket was neatly folded and presented to his sister, Karla Stebar. Red roses were by the grave site symbolizing love....."David, You Were Loved!!!"

And then, the beautiful day was complete.

Thank you for sharing in the celebration of David's life! Prayers to all!

Love, Karen

“ We are so saddened to hear of the passing of our dear friend Dave who we considered family. We had lots of fun times together and great memories we will hold dear to our hearts. You finally got us over those mountains to New Castle and we are sure you were looking down on us laughing as we were lost. Rest In Peace my dear friend until we meet again.

“ David, you are going to be missed so much by all your family and friends. You never hesitated to come to the rescue and help anyone in need. You were crazy funny and made everyone around you feel good, especially with that great laugh of yours!! There were many awesome bike rides and trips together, on one trip to Pigeon Forge, it started pouring rain, we stopped to put on rain gear, you jumped up on a huge rock and started clapping your hands, stomping your foot and singing to the top of your lungs "I'm standing on the Solid Rock of Ages" we were drenched but rolling in laughter!! That was you, always wanting to make everyone laugh and have a great time together...well friend keep them laughing and smiling in your heavenly home til we get there....Thanks for the memories!! Love You Brother

“ Farewell to my friend and companion of 10 years+. You will live on in my heart forever!

You were a funny, funny guy, always making everyone laugh around you. And a Mr. FixIt of everything; you loved to piddle and piddle and make things work again. You never gave up! So smart and talented, I thought you would invent something someday! Having loads of energy, you were ready to go at a moments notice to help anyone.

You loved your pets like they were your children. Rode them around wherever you went. They were the love of your heart!

I will treasure the memories! Forever in my heart! Be at peace in our Eternal Home.

*Sadly missing you, my dear,
Karen (WV)*
