“ John was a great man, I will miss him.I’ve known him for as long as I can remember. He took me coon huntin on many occasions from when I was a boy all the way up till my late teens. I remember John as a kind and hardworking man..he would help anybody.. I also remember him as being as strong as any full grown bear.. I saw a movie once that said (after a good man had passed) “feels like the world is gettin smaller”, his wise friend said..”naw, there just ain’t as much good stuff left in it... rest in peace john
