“ Denny was a special cousin. We all had some great times at Grandma's and Aunt Adena's. A bunch of us cousins stayed one time at Aunt Adena's overnight. I think it was Denny who got their puppies in through a window; we slept with the pups and also the fleas! I also remember one time when I was going through a rough period and he made sure to give me a hug and let me know he cared. I will never forget that. He will truly be missed. Our prayers are with Annette and all the family. God bless you.
