“ To Walter and the family of Mrs. Short,
I know that this is a very difficult time for you. We as humans were never meant to experience the pain of losing a loved one to death. God's purpose for us is that we live forever on the earth in perfect health and perfect conditions. The Bible mentions a time when the ones who have passed away will rise again in John 5:28,29. Take comfort in knowing that you will see Dorothy again. Please accept my condolences.

“ Dorothy you have been such a blessing to me all my life---So so many memories---Years ago when we were pregnant at the same time(our due date was Feb. 2), going to the Nascar races together, playing Rook till all hrs. of the night and most recently deciding what color of nail polish to put on you, doing your facials/makeup, oh how I enjoyed helping you decorate your home for Christmas, working on the computer----so many memories with you my best friend. Harvey and I will surely miss you here with us but we now today you are rejoicing with our Lord as you are "pain free" at last. I will always love you and cherish our times we had together.
