“ To all of Dot's Family: I guess I had known Dot for over 40 years. She was a special lady! I am proud to have been her friend. From her wonderful greetings, smiles, and laughter down at Captain Tom's going back to the '70s, to her "watching out" for Amis Daniel next door in his later years, and our periodic hugs, I shall not forget Dot. I am very saddened by her passing and offer all of you my sincere condolences. John Wolfe
