“ I hired Eddie at the New Castle Post Office. He and his son came down to my house in Roanoke to install my floors when my house was being built while he was employed with the Postal Service. Caring guy and willing to help. I enjoyed working with Eddie. You will be missed brother!!

“ I have always thought of Eddie as a kid because he and my son grew up together. They didn't always get along but then, they grew up! They then became good friends and Eddie remained here in Craig County where he enjoyed nature and the farm. He always had a kind heart with people he would meet and would accommodate those when needed. He will be missed especially at such a young age! May God bless him and those who remain!
