“ My prayers go out to all the family during your loss of a dear loved one. Gaynell was like a mom to me. I went to school w/ Kathy & hung out @ their house quite a bit, just to get out of my house. She would offer me something to eat no matter how little they had even if it was just a snack or a sandwich. When spending the night w/ Kathy we would be so tired, we would get to laughing over nothing really & couldn't stop. Gaynell will be dearly missed. But I know she has a new body & is home now. Hope to see you there someday Gaynell. I love you & will miss you til then.
