“ We just heard that Frances passed, last year. She and her family were a big part of our family, growing up. We went camping with them and they invited us to their log cabin on Craig's Creek. Even our grandmother went with us, there! We cherish the sweet memories of her and her family. Every time they bought a new car, they came by the house from the mountains to show us! She and Henry spent a lot of time traveling and later she traveled to car shows in her Volkswagen Thing. She will be missed.
