“ Mrs. Frances was a special lady. She attended Level Green and when she was in attendance I always gave her a hug and she say that was a big one. Or if I forgot she say were is my hug . Mrs. Francis is going to be missed by many of her family and friends. God give the Oliver family strength and comfort in the day and weeks ahead.

“ My grandmother was the heart and soul of the Oliver family. She had a way of bringing us all together not just during Christmas, family reunions, and when things got rough. Everyone loved her, respected her, and even if they didn't like it listened to her. She raised 5 of the best men in the world and then helped raise countless grand and great grand children. She was full of love and kindness that you don't find in many people these days and the world as I know it has been changed in such a way that words cannot describe it. My family has been through some rough times but we always had our leader to pull us together. I know how hard it is to lose a mother. Loosing mine almost destroyed me and I can already see the massive hole this has left in my father and can only imagine how everyone else feels. My grandmother always loved me no matter what I did and I am just thankful that she lived long enough to see me finally doing good in life. I know in my heart that she is proud of everyone in our family and would want nothing more than for us all to stick together. From me, dad, Stephen Wayne, Beverly, and Lexi I just want to say that we love everyone in our family and we will always remember just how lucky we all were to have granny aka the BIG "G" in our lives!!! We miss her so much.

“ My sincerest condolences to Garry, Claudia, Marty and family. Frances was such a pretty lady, always so neat and put together where ever you saw her. My fondest memory was working with her during VBS at Level Green. We were in charge of serving refreshments to the children. Boy, could she scoop ice cream! The children didn't have to wait because she kept the line moving. She will be greatly missed on the "North" Side and in the Level Green Community.

Sincerely,
Karen Link

“ I would like to send my deepest condolences to Garry, Claudia, Marty and all the family. We will miss Frances. My fondest memory was helping her at VBS at Level Green. We were in charge of refreshments for the kids. She was very helpful and could sure scoop the ice cream cones in no time at all. The kids didn't have to wait because Frances knew how to do the job!

Sincerely,
Karen Link
