“ Everyone who knew Geraldine caught her infectious smile and 'shore-nuff'. As an Auctioneer for the Maywood Garden Club, Geraldine caused more laughter and silliness than any of the rest of us can put together. She knew how to cook! and her cakes were filled with love. Geraldine was such a pleasure to be around. Billy and Louis and her whole family were mighty lucky to have her. Thinking about Geraldine always puts a smile on my face. Best wishes and happy memories to the family and her friends.

“ I have many fond memories of working with Geraldine in theASCS Office during my high school years. She was a wonderfulmentor and such an encouragement to me. She had a wonderfulsense of humor, and we shared many fun times while working together. My thoughts and prayers are with the family. May God bless and comfort you during this difficult time.

“ I am a volunateer at Heritage Hall. I visited Geraldine about 4 or 5 times a week. She was such a nice lady. She always thanked me for coming to see her. Before I left she would say I Love you. She loved her birthday present and was so glad to see me on her birthday. I will not be able to attend the funeral. You have my deepest sympathy. She told me one day about her Billy and I told her I had a Bill also. I will miss her sweet smile. Lois Wade
