Don't think of her gone away,  
Her journey has just begun,  
Life holds so many facets,  
This earth is only one,  
Just think of her at rest,  
From sorrow and the tears,  
In a place of warmth and comfort,  
Where there are no days and years,  
And think of her living,  
In the heart of those she touched,  
For nothing loved is ever lost,  
And she was loved so much!

“ I had the privilege of visiting with Mrs. Mayo at CP as a volunteer throughout last year and earlier this year. Unfortunately, I had not been able to visit her since March due to the COVID restrictions, but I will always remember her fondly and treasure those visits. Mrs. Mayo was a blessing to me and I know her family and friends will miss her so very, very much. I am so very sorry for your loss, but take comfort in knowing her body has been renewed.
