“ *Rodney:
You know how much my mama and I have always loved you. You have been through so much in the past few months. First the loss of your daddy and now Me-Maw. No one can possibly know the loss you feel. You are a wonderfully good person Rodney and we can attribute so much of that to Me-Maw. Keep her and your daddy close to your heart and give yourself time to heal in the coming months. I am always there for you Rodney whatever you need. Poor little Rascal and Little will be lost without Me-Maw so please take good care of them. We surely are suffering a tremendous loss losing her. Always remember I am there for you and will think of you each of the coming days.
Love You,
Jano*

“ Nothing or no one will ever take the place of my Me-Maw. She was more special to me than anyone except her knows. I will miss you Me-Maw. I will be there for Rodney any time he needs me. Rascal and Little will really miss you Me-Maw as well as both your kittie cats. No one can ever fill your shoes Me-Maw in any way. You were and always will be special. I miss you already.
I love you,
Jano
