“ Arden, Barton and Dolan,
I sincerely express my condolence with the passing of my great aunt.
I do not know if you remember me, but I will never forget the memories of coming to the farm, playing in the barn, feeding the sheep and trying to ride the collie dog!
Year before last, my husband and I drove over to Paint Bank in hopes of seeing the house and farm, but as told at the store, everything was gated. They told us Arden was close by and checked on things. I tried to get a phone number but unsuccessful.
Your mom will never be forgotten!
Love to all!
