“ Sorry to hear about Helen's passing. She visited me in Colorado some years back and we had a great time during her visit. Her parents moved back and forth between Virginia and Colorado twice. She spoke of how her Dad always wanted to return to Colorado. Nannie, her mother, was a sister to my Grandmother, known as Pet in Virginia. In Colo. she changed her name to Lena and married Sam.Harris. Since Helen's last years were with ill health, may she now rest in peace. Beverly Brown.
