RP

“ A great lady who always made those around her feel special...special memories and stories shared and treasured. My reat grandparents and grandparents owned that property and my mom and siblings were born there in the ole cabin. Fred always said his dogs were buried on the property...we never got to our picnic and tractor ride to see them. Loved her and Fred and know how hapoy they are together now. Prayers for the famiky and those who cared for her sweet soul.
