“ Dear Family, I was saddened to hear of Mrs. Huffman's passing and amazed of her longevity and life's accomplishments. She was an inspiration as a "higher up" supervisor at Va. Tech dining hall(s) and as a student, then work-study, then full time worker she became like a big sister, mom, and caring coworker that was the supervisor! A rare quality to have and the workers happy too. It was like a big family working with her. I wish there were more family, friends, and coworkers that were like her today! May peace be with you.
Sincerely, Sandy Thornton
