“ *Debbie -- Since I left the Roanoke area 16 years ago, unfortunately I've lost touch with many. It's just by happenstance that I ran across this sad, sad news. I am shocked and heartbroken for you! I can only imagine the loss you have experienced. Our sons were born the same year, and I shudder to think of the pain you are feeling. I know a piece of you is missing. Although that void will never be filled, the protective scar that will develop over your wounded heart will be created by your loving memories and great pride as his mother. What a wonderful young man he was.....and still is.....as he looks down upon you and Natalie with his loving soul. God bless you!!*
