“ My sincerest condolences to Judy, Betsy, and family. I feel very privileged to call Joe my friend. I am so thankful God allowed our paths to cross at Cross Roads Church. Joe was always so sweet and friendly and he always made Mom feel special by talking to her in the church parking lot. One of my sweetest memories of Joe and Mom happened just a few years before she passed. We were honored to be invited to the Looney's beautiful farm and look at all the countless treasures. Mom was having trouble walking and Joe took her for her very first ride in a golf cart. I will never forget the sight of them "speeding" across the field to the picnic area. Joe was a good man and a good friend and he will be greatly missed.
