“ To All The Bradford Family,
I don't know where to begin. As a family, the Bradfords have been through more then their share of sorrow and loss. My heart sincerely goes out to each of you. John was the most amazing man. I had so much respect for him and still do. I never saw John that he didn't have a smile on his face and something funny to say. He was always in a good mood no matter how bad he felt. He was a man to admire. He fought his illness for years and never let his sickness interfere with the love he had for his family. I will miss seeing him and Lisa in Pine Top on occasiion. We always had a wonderful time talking and laughing. He kept us entertained. I am so proud to have known John and we are so lucky to have had such a kind, good man in our lives. May God bless each member of his family in the days ahead. Keep John close to your hearts and your memories of him fresh in your minds. All my love to each of you.

Love,
Janice Damewood
