

Joseph William Gormley

May 26, 1961 - January 17, 2019

Joe Gormley passed away on Thursday January 17, 2019 in the bed of his beloved mountain home of Newport Virginia. He was in the presence of his loving Black Lab Gooper.

Joe was born and raised in Virginia his whole life. He grew up in Annandale and took a lot of joy in playing Varsity football during high school. He later attended Virginia Tech University where he met many lifelong friends and continued his adventure as an Outdoorsman.

Joe's love for the outdoors brought him to fishing, hunting and gardening. He earned numerous trophy fishing citations and was very proud of the trophy bucks he harvested. These hobbies extended to the kitchen; he was known for turning every catch into feasts to share. He loved to cook for large gatherings and he had a continuous pot going. Combine this with his gift of gab and that is the lasting memory of Joe, a caring friend who loved experiencing life and nature with his friends and family.

Joe is survived by his son, Travis; brothers Don Mike and Tom and 14 nieces and nephews.

The family will receive friends from 3 to 5PM Tuesday, January 22, 2019 with Don Mann, brother, officiating a service at 4PM

PS

“ Travis and the family my condolences to you in the lost of my friend Joe. He was truly a character in his own right, gentle loving and kind spirited. My knowledge of Joe was by way of Allstate Insurance Company, we worked together and I had the privilege of being one of his managers during his time with the company. Joe was deemed the unit chef, what he cooked up & how he prepared his meals for the unit was always delicious. What I'm most pleased that Joe had a relationship with God, and where he is now is in His presence (Absent from the body is present with the Lord). Rest my brother from your toils on this earth, your work has been completed and God has called you home! To the family my prayers is for God's amazing grace, peace and comfort be with you in the days, months and years to come.
