“ *Bob and family, I am so sorry for your loss. Karla and I spent many  
years together hanging out and getting into trouble. She was and  
always has been my best friend. Unfortunately, life got in the way of  
staying close and in touch. I just saw her right before she got her  
new house. She was so excited and looked so good. It is hard to  
believe she is gone. I will continue to think of her often as I have  
always done and will miss her so. Karla was so special and loved so  
much!*

“ To Karla's Family

*So sorry to hear of your loss. I got to know Karla a little bit when my grandmother was living and she lived across the street in the apartments from Karla. Karla was a nice lady and loved her puppies. She was a good neighbor to my grandmother. My thoughts and prayers go out to her family and friends. May you RIP Karla.*

“ Karla will be so missed by the Magic City Auto Group family and especially by Bill and Ann Johnson and their little Yorkie, Archie. Karla kept Archie and gave him such wonderful care and love when we were gone. I have been told that a dog finds their forever person that they love within the first six months of their lives, and it is not always their owner. Karla was Archie’s forever love.

“ *Karla was so excited to get into her new home. She was the kind of person that would offer to help anyone that was in need. When we had meals at church she was always asking what can I help do. She and I had the best time making grilled cheese sandwiches at church for our soup and sandwich luncheon. Karla will truly be missed.*

*J.R. and I have known Karla for years. I have always called her Karla Paige. One time at church she told me that me and her mom were the only ones that called her by her first and middle name. When she brought Archie to church you could tell he was attached to Karla. We are thinking of Bob, Reta and family. Our church family at cross roads will miss Karla so much. Love you Karla Paige!! Linda and J.R.*

*“ I have known Karla and all her brothers my whole life. My daddy, my Uncle Obie, and Karla's daddy, Garland Stebar were the best of friends and hunting buddies. Karla was a very special person. Always so friendly and a joy to have as a friend. She knew the car business so well having worked in it for most of her life. She loved dogs as much as I do. Especially little Poms. She always had a little Pom as a pet. I especially remember her little Snickerdoodle. He loved to ride in the car and Karla always took him for a ride. She will be missed by her family and her many friends.*

“ My sincerest condolences to the Stebar family. I knew Karla from High School, but she was older, so I didn't know her that well back then. Her brother, Bob graduated with me. I reconnected with Karla when I started going to Crossroads Church. We had a lot in common and we quickly became friends!! I am going to miss her so very much. She was so excited to move in her new house and she lit up when she shared pictures of it with me. I live on the other end of the county and Karla came out to my house & we shared a wonderful Mexican dinner in Blacksburg. We laughed and had such a good time!! I loved her dry sense of humor. I later got to have dinner with her and my sister, Kathy in Roanoke at another Mexican Restaurant. Karla always talked about loving Mexican dishes. And I will always remember her beautiful "Cat Head" biscuits. To say I'm going to miss Karla is an under statement. She always met me in the church parking lot on Sunday mornings just to check on me and say " I love you girl!!" One of the last things I said to her was "I love you!" When she was dog sitting little Archie, she would always bring him over to my car so I could pet him.  
I am a better person for having known Karla.
