“ *Family and Friends,  
I know that this is a very difficult time. It's never easy to lose someone you love but the Bible promises us at John 5:28,29 that you will see Kenneth again. Until then may your hearts be filled with the wonderful memories of joyful times spent together as you celebrate a life well lived. Please accept my condolences.*

“ Last week he come by and sat with me for at least two hours. We talked about him and my dad hunting together, how he taught my dad to call turkey in. You could get both of them together and it was hard to tell which one told the biggest story! The story tellers are all but gone and I will miss his way of telling them.

“ Rest in peace my dear friend Coon, you were a great friend and considered family, my hunting cabin will never be the same without you there sharing huntin stories and giving us direction to where the deer and turkey were.
