I light this candle in memory of Linda as this bright shining light reminds me of her bright smile I always seen when I entered church on Sunday morning. She had the prettiest, brightest, beautiful smile. I have missed this smile, but I know I will see it again one day and that smile is on her face all the time now. SMILE, miss Linda, SMILE. With love and prays to the family. Cameron (Cammie) Darnall

Linda and I have been great friends for many years. she was my first true friend when i moved to Roanoke. We shared many wonderful times, some heartaches and some worries but we were always there for each other. I talked to her just a couple weeks ago and she was in so much pain she wanted to go to her heavenly home. i have no doubt that she is already there. I am saddened that i cannot attend the last good bye here on earth. Linda, I love you and am happy your are not in pain and walking the streets of gold with that beautiful smile. Rest in Peace my wonderful friend. love you, Barbara
