“ *Sorry for your loss, 77 years old is a lot of life and experience to pass on to those who need it. Death is never easy no matter what age. No one in human history, who was in good health, wants to die. We all have a desire to live forever. God has instill that in our hearts. Isaiah 25:8 tells us that God will swallow up death and it will be no more. We all await that day.*
