“ My heart breaks for you and your family. I will always remember Lonnie and how good he was to Daddy when he was at the farm. He had a smile that would light up everything around him. I can still see him and Daddy when it was time to do the silage. Denise, I can't begin to tell you how sorry I am. You have always been such a special person to me and you have helped me through some tough times. You know that if there is anything at all that I can do I will be there. I love you. “ Sure is going to be a different place up here this on the mountian . Lonnie always had a smile on his face and a kind word in his heart for all his friends and neighbors . Never was there a time that I could not ask a favor of him that he would not try to help me and anyone else who ask . Ther will never be another one like Lonnie Oliver around here . I feel blessed to have known him and could call him my friend .He never discriminated against people because maybe they where not as blessed as some . He shall be sadley by all that knew him . With sad tears in my eye,s . I say Rest in peace my old friend . God bless the family and help them through this most difficult time .

“ *In the short three years since buying my farm here, I gained such  
respect and admiration for Lonnie. His skill and knowledge  
transformed my property with new fencing and remodeling my barn  
into a beautiful, safe building for my horses. In planning and working  
together on these projects, we gained such respect for each other.  
Lonnie embodied all the skills and knowledge that are all too rare  
today, and I will always treasure his memory. May God be with the  
Oliver family and may He bring comfort and, in time, healing to all of  
their hearts and minds. Abide in the Lord, and he will be with you  
always.*

and always very kind and willing to use his common-sense and  
ability to help so many people in our community. Now, Heaven has  
gained a genuine model of excellence. With love and sympathy, and  
God's blessings to his family.*
