“ Nanny, thank you for everything. I wouldn't be the woman I am today if it wasn't for your guidance. Thank you for all the wonderful things you've taught me and for planting my passion for nursing inside of me to grow and flourish. Most importantly thank you for loving me as your own. I'll love you always, Alex

“ Gary, Randall and Family,
I was so sorry to hear of Margaret's passing. I always thought so much of her. When you boys were young they would come to Newport to visit my mother who was Jack's aunt. My prayer is for comfort and peace at this sad time.

“ I am blessed to have known Margaret for what seems like my whole life, I got to spend many's days at her house as a kid, a teenager and as an adult.. she was such a sweet and kind lady, I remember she was always joyful and laughed a lot! All of us that ever got to be around her are fortunate and I know we will never forget her. Gary, Randall and all of the family I wish you peace and comfort. The road we grew up on is sure feels emptier.

“ I have so many sweet memories of my Aunt Margaret, but the one that stands out the most is the time she cooked "crawdads" for us kids to eat. We were at Grandma's house (Me, Sharon, Randall, Craig and maybe Leslie) playing in the branch catching crawdads. We caught almost a full jar of them and played with them for hours!! We would make the crawdads fight each other with their pinchers and when we tired of that, we would pull their pinchers off!! I remember we begged Margaret Ann to cook them for us to eat (after we had played with them for hours!!!). She told us she was not doing it! We aggravated her so much that she gave in and cooked them. She told us that we had better eat every bite of it or she would tear our hind ends up!!! We did, but never asked again....I don't remember them being very good!!! I am also sure no one will forget her squash casserole (sooo delicious)!!!! We would request that at every family gathering!! I know Margaret loved each of her nieces and nephews very much as she showed it. I hope she knew how much we loved her as well. I am so grateful to have many memories of her. Margaret, I will love you, I will miss you and I will forever remember you!!

“ When I was 12 years old I wanted to get my ears pierced so my aunt Margaret Ann said that she would take me and my sister Karen to get them done as well as her own. I remember that on the ride over to Roanoke I was saying that I would go first, I was talking the brave talk. Well, when we turned into the parking lot at the Roanoke-Salem Plaza (at that time you could get your ears pierced at the department stores), I started to get nervous and was having second thoughts but I didn't say anything about it. When we got inside I told her that I had changed my mind. She said to me, and I quote “young lady you wanted this done now you get in that chair, sit still and get it done”, with that big voice she had for such a small person!! Needless to say I got my ears pierced. That was such a long time ago. Little Miss Margaret Ann I will always remember you and how I got my ears pierced. I love you and will miss you terribly. Love your niece, Connie Jane. This is just one of the stories that I have of my aunt.
