“ So sorry to hear of the passing of Monty. I got to know him thru Pat but I would always look forward to his smile when I would walk my great Danes by their house. He would always come out and greet the dogs and he even would walk short bursts with us and ALWAYS had a smile and never failed to be laughing and joking. He was a really funny person and I am glad I got t share those times with him, even though they were brief. I did enjoy him.
