“ Mike & Family: Words will never describe the Love and Memories our families shared with each other. Mike, you said it best, our families go way back! Memories with MaryPage and Frank are so vivid and as your family moved, we remained close. I remember going to Covington to visit and staying weekends to do things with your family. Amy Sue staying at our house as much as she stayed at home. Then as MaryPage and Frank had grandchildren, being the one they called when they needed help, plus getting to take Zoo trips with them, will always be remembered. MaryPage was such a wonderful lady and one that I will never forget. Her work here was well done! Thinking of you all during this sad time.
