“ *Susie was such a wonderful woman to me and my family!! I met her and Wayne years ago when I had purchased a small lot off of them from within town and we had been in touch since. She always talked about wanting me to bring my boys to go ride up in the woods her and look for deer. I don't care how Susie was feeling....she ALWAYS wore a smile and never missed asking about everyone. She was truly an angel and I am fortunate enough to have had met her.*
