“ Aunt Mary, you will be missed by so many. You were the most selfless, go getting, always doing something for anyone for any reason. You would go far and beyond sometimes to help others. I was very young but I will never forget what you did for me. That year not only did you go beyond helping to find answer to things I was going through but you and Aunt Ester made mine and Teresa's school clothes for that year. I will always be indebted to you. Always willing to help however. I know you are dancing with all the angels that left us. I will miss your to the point but your kindness. Your response to certain things "my scotts." Love you and give those special angels my love.
