“ To Aunt Nina, Kenny and Doug(daddy),
My thoughts and prayers go out to each of
you because you have lost someone so very
dear to each of you, a husband, a father and
a brother. It is so hard to find the right words
to say for Uncle Mac was so very special to everyone in his own
way. Uncle Mac and Aunt Nina has always been there for Anita and
I. Uncle Mac always had our backs on whatever was going on, from
the time we were small up until we were grown. We was his girls.
Uncle Mac always liked picking on us about something that would
have happened to us in our younger days. Uncle Mac may be in
Heaven but he is still in our hearts. We have the memories that no
one can take away from us. I'm so thankful that my last visit was on
one of his good days. I thank the Lord for letting me have that day
with Uncle mac and Aunt Nina.
Aunt Nina, Thank you for being so strong because I know it was not
easy for you to watch Uncle Mac slip away from us.
Thank you to everyone who was there to help with Uncle Mac.
Uncle Mac , you will be missed very much but you are one of our
Angels now that gets to help watch over each of us. Love and miss
you. Don't worry I will help take care of Aunt Nina.

“ Dear Nina, Kenny and Family,
Where do I start. This whole county of Craig
has lost one of the finest people to ever have
lived here. Mac was bigger than life and his
kindness was known by all. Mac did
things for people in this county that was not even known by us. He
was so kind and
gracious. He never got rich selling cars because if you needed a
car, Mac would make
sure you got the car even if he took a loss on the price. What a
heart. Loosing Mac
is a hugh loss for this whole county. We are so much better people
having known him.
I wish his family peace and loving memories in the days to come.
He was my friend and
I was so proud of that friendship.
With Kindness, I remain
Janice Damewood, Friend

“ There are too many memories to pick just on. So, my favorite thing about Mac was his big ol' kind heart. Mac loved and treated everyone the same. Would give you the shirt off his back. I have lots of childhood memories, guess my favorite was going swimming and jumping off his belly. I will forever miss Mac and forever love him and Nina. Kove u both, Cindy
