“ *Missy and Mickey used to come sleigh riding with us on church hill. They were so much fun to be around. Mickey doing something dumb and Missy saying watch em, just watch em. Then crack up laughing. She was also in my Sunday school class. Lots of fun memories. May God grant you peace and comfort now and the days ahead.*

“ To the Wright Family, I am so sorry for your loss, I have known
Melissa, I called her Missy for several years we met in college, we
became friends and even though we may not have talked weekly or
monthly, when we did get together it was as if our time would be
standing still. I am thankful for our friendship and consider myself
very blessed to have met an angel here on earth. She will be sadly
missed, almost doesn't seem real but I know, she would not want
me to be sad, she was so strong, loved her family dearly, this is not
a goodbye Missy this is see you later, forever loved your
Friend/Sister Michelle Patterson.
