“ My heart goes out to you and the family - Mickey was such a great guy and I will always remember him. He did such a beautiful job when he and Tom put the addition on for Tom and myself. I really thought so much of him. He did so many extra things for us when Tom went through so much also. He was a wonderful builder of anything I asked. I know you will miss him every day so very much. I am so sorry I didn't know he had passed. William Fritcham told me. My love goes out for you - take care. Jane Hurd

“ A great neighbor and friend who always had a need to help other's.
He will surely be missed by many. Even though he left many on
earth to mourn his passing, there are others waiting on him. My
family will miss him deeply and my heart felt sympathy goes out to
his family. He fought a long battle and fought it well.
