“ I am so sorry to hear about Patsy’s passing. What a kind, sweet woman and a Mom to anyone who needed some love. I do not ever remember seeing her that she was not smiling. There was no doubt the love she had for her children. I loved her and again am so sorry for your loss. May God bless you!
My love always, Cindy Craft Green

“ *Patsy was one of a kind. She always had a smile on her face, and was a true friend to all. Leslie loved working with her and the other Ladies at the school. They were always playing tricks on each other. The school lunches were the BEST with the McCleary cafeteria Ladies. Patsy always made the Best food, her pizza for lunch was awesome. Leslie loved working with Patsy, and the rest of McCleary cafeteria Ladies. She will be missed.*

“ Words can not express my condolences to all of you. Patsy was truly a very special woman. I always looked forward to her captivating smile and listening to her always brag about her new pictures on her wall of her grandchildren and great grand babies. She always was such a proud mom of all of her children and she never missed a time not mentioning each of them and funny stories as she was raising them. We always swapped stories about raising kids and she would always talk to me about my 4 boys and has even taken the time to make gingerbread houses with my younger 2 just the same as she and I would make candy together. Granny, thank you for being such a very kind woman to me and as I always said, she was the closest feel to home I could ever explain. I loved her so much. Thank you family for allowing me to spend time with her. I will forever cherish these memories.
