“ *Pearl Anne was one of my many cousins but, a favorite when I was growing up as my mom and she were close. Into adulthood I unfortunately haven't been as close with her as I should have been.She always reminded me that she was present when I was born, grinning from ear to ear. Outside of my mom, Pearl Anne had the biggest heart of anyone I know. She will be missed.*

“ Pearl was a very thoughtful and loving lady. She will be missed. I enjoyed her positive thought about life even when things were not very positive. She always had something nice to say about everyone. I will miss seeing and talking to her. Marcus please try to make your momma proud of you. Do what is right and good and the rest will fall into place. Your momma did love you very much.

“ Pearl was a student of mine at National University. She was actually in three of my classes. Anatomy/Physiology, Medical Terminology, and Medical Laws and Ethics. What a great student Pearl was, extremely smart, dedicated....and I am pretty sure had straight A's. what an accomplishment!

“ We had a lot of fun working at Kay's Cafe. When I was pregnant with my daughter, Pearl Anne would say that Chad wasn't the baby's father, she was. She was so excited that I was having a baby girl! I am going to miss you Pearl Anne!!

“ There will never be another soul like Pearl Ann that is for sure. She was pure of heart and I think that is what I will miss most about her. Her heart was as big as her smile and that is what I will always remember about her. My thoughts and prayers go out to her son and the rest of her family and friends. May God give you the strength and guidance you will so need in the days and months ahead. Take care of each other. May God bless each and every one of you. Rest in Peace my dear friend your suffering is no more.
