“ We are sorry for the loss of your Father. It is never easy to lose a parent, or anyone for that matter. But Daddy's are special. We have kept you and your family in our prayers. He was a very community oriented person, who took great pride in his work with the fire department and rescue squad. He was a devoted husband, father and friend to all. Even his best friend who enjoyed bike riding with him.

“ Dear Clara and Patsy,

We are so sorry for the passing of your husband and father. He was a friend to everyone and will be missed. Bill and I pray for the pain you are now having, but it will be replaced with memories of wonderful times shared through the year. We pray for your comfort and strength and know that relying on God, it will come.
