“ I have only wonderful, happy memories of Mac. They don't make men like him anymore, he was such a good hearted Christian man who would always think of others, instead of himself. I worked with him at Willard and he brightened every day of ours when he walked in the door. I haven't seen him in many years, but he was often in my thoughts and prayers. I'm sure he's fitting in just fine in Heaven, God gained an amazing man. Prayers to all of Mac's family.

“ *Lo and Family, Mac and I spent many wonderful Sunday afternoons together in the late 1950's and early 1960's- hiking in the mountains, exploring abandoned houses and buildings and exploring caves. Those adventures usually followed church and "Aunt Relda's" or my Mom's great Sunday dinner meals! I was even riding with Mac when a state trooper pulled him over just a few days after he got his driver's license. It was in the old gray Chevrolet and the trooper said we weren't doing anything wrong but Mac just looked to young to be driving. I am sorry I will be out of town at the time of the visitation and Memorial Service, but know that I will have you in my thoughts and prayers. Sam Canode*

“ *I was Mac's backhoe man for several years in Roanoke and at the Lake. Very good person and friend to work with. You knew from the start that Mac was a christian. He didn't have to tell you he had the character. He was a good friend whom I would stop and see at his office. He will be missed but the main thing you don't have to wonder where he is. He spoke of his family often, I just wish I could have spent more time with him. You are in my prayers.*
