“ I am shocked and saddened to hear of her passing. What a wonderful person. Just her voice made me smile. I worked with Sandy over the years at PP and have stayed in touch since her retirement. I always looked forward to my trips to Lynchburg for work since it made it possible to have dinner with Sandy. I loved hearing the stories of her grandson, daughter, sister and brother as well as her best four legged friends. What a loss. I will miss her.

“ *Sandy and I met when he was working at Progress. Her sweet smile and laugh made her so pleasant to be around. Even after she retired I would still try to visit with her when I was in Lynchburg. Sandy will be missed!*
